Bariatric Advantage **Chewable FloraVantage Probiotic** contains specialized probiotics designed to help achieve a healthy intestinal environment and support a healthy immune system. \* Comes in a delicious grape flavor. Guaranteed potency through expiration.

Provides a strain-specific blend *L. acidophilus* NCFM® and *B. lactis* Bi-07, clinically shown to help maintain a healthy balance of intestinal flora, and immune health. Specialized probiotics can be used to target the intestinal microbiome to influence overall health.\*

Managing digestive health is important to many individuals following bariatric procedures.<sup>1-4</sup>

ASMBS guidelines state that probiotics may help support digestive health<sup>5</sup> and weight loss<sup>6</sup> in RYGB patients.
